\*Note that shelves can only hold 7lbs each and that the maximum supported weight of each frame is 60 lbs.

\*\*Weight of frames are the total shipping weight not weight per case.

\*\*\* 2' shelves weigh 3 lbs, 4' shelves weigh 6 lbs, monitor mount weighs 7 lbs

Assuming each accessory uses 2 accessory poles (5.5 lbs ea)

\*\*\*\* If accessories are added to the utility case, an additional utility case will be added.
